

# CHANDELIERS

Our reproduction chandeliers are beautifully hand crafted works of art produced by our own craftsmen. All chandeliers are provided with all mounting hardware and one foot of chain (standard chain provided varies depending on fixture model). Additional chain is available; just advise us the total drop from ceiling to the bottom of the fixture when ordering. Standard finish is polished brass with no lacquer coating. This finish will require at least annual hand polishing if you wish it to remain highly polished. We can apply a lacquer coating to these fixtures at an added cost. Other optional finishes are available including: antique brass and silver plated finishes. Some chandeliers must be shipped by truck, ask about crating and freight related charges.
