

PENDANTS

All pendants are expertly hand made by our own experienced craftsmen, featuring globes and smoke bells of the very highest quality hand blown glass. All pendants are provided with all mounting hardware and one foot of "S" link chain, additional chain is available; just advise us of the total drop from ceiling to the bottom of the fixture when ordering. Some height adjustment is possible on the W150 and W151 fixtures by removing the chain between the smoke bell and the globe. We also now offer a few ceiling mounted fixtures to accommodate an eight foot ceiling. These fixtures allow you to have the elegance of an 18th century pendant in a home with an eight foot ceiling.

Standard finish is polished brass with no lacquer coating. This finish will require at least annual hand polishing if you wish it to remain highly polished. We can apply a lacquer coating to these fixtures for an additional cost. Other optional finishes are available including antique brass and silver plated finishes.

W150-L85
